PRODUCER AGREEMENT

BETWEEN

Origin Specialty Underwriters Agency, LLC.

Each hereinafter referred to as "Origin Specialty"

AND

hereinafter referred to as "Producer"

1. AUTHORITY AND RESPONSIBILITY

In submitting business to Origin Specialty, Producer is Agent for the applicant for insurance and is not acting as an agent, subagent or broker for Origin Specialty. This Agreement or the relationship between the parties and their officers and employees is not intended, and shall not be construed, to create a partnership, joint venture or employment relationship between Origin Specialty and Producer. Producer is for all purposes an independent contractor. Origin Specialty shall have the sole right to accept or reject applications for insurance. Producer shall have no authority to bind any insurer for Origin Specialty, or act as agent for Origin Specialty, or commit to or issue binders, policies, or other written evidence of insurance or make, alter or vary any terms of coverage, or waive or modify terms of payment of any premium or deposit, or incur any liability for Origin Specialty. Producer understands that Origin Specialty assumes no responsibility for the adequacy of coverage, amount of insurance, or form of coverage with regard to all policies Producer requests Origin Specialty to procure. Origin Specialty is not an insurer and does not guarantee the financial condition of the insurers with whom it may place risks. Origin Specialty shall have no liability for the non-payment of claims due to the insolvency of any insurer, or otherwise, under contracts of insurance placed by Origin Specialty.

2. LICENSING AND INSURANCE

Producer hereby warrants to Origin Specialty that Producer is properly licensed to transact business as an agent or broker in accordance with the provisions of insurance laws of any state in which Producer shall transact such business. Producer further warrants that it shall maintain Errors and Omissions Insurance while this agreement remains in effect in amounts acceptable to Origin Specialty. Producer will provide Origin Specialty evidence, in accordance with procedures established by Origin Specialty, of license(s) as an agent and/or broker and/or producer for the state(s) in which Producer may transact business and of Errors and Omissions Insurance. This evidence may include copies of current agent/broker licenses and of Errors and Omissions Insurance policies and certificates requiring thirty (30) days' notice from the insurer of cancellation or non-renewal.

3. COLLECTION OF PREMIUM AND GUARANTEE OF PAYMENT

All collection of premiums from Producer and reporting of net premiums to insurers in respect of the business of Producer shall be done by Origin Specialty.

In consideration of Origin Specialty handling such Producer's business as is accepted and for other good and valuable considerations, Producer guarantees the payment to Origin Specialty of all premiums including deposit and adjustable premiums (except as noted in Section 4) on policies of insurance placed by Producer through Origin Specialty.

Such payment is due and shall be paid to Origin Specialty by Producer in accordance with payment terms established from time to time by Origin Specialty and is due and payable whether or not Producer has collected the premium. Producer shall be liable to Origin Specialty and shall pay return commissions at the same rate as originally credited to Producer for all return premium adjustments or cancellations made at the option of Origin Specialty, the insured or otherwise. Producer assumes the credit risk of advancing premiums to Origin Specialty before collecting premiums from an insured.

This guarantee shall be performed by Producer upon demand of Origin Specialty at any time with respect to any uncollected premium or unpaid return commission then outstanding. Producer acknowledges that Origin Specialty, without limitation of other remedies, reserves the right to cancel policies for non-payment of premium to Origin Specialty.

4. UNCOLLECTIBLE ADJUSTABLE PREMIUMS

Premiums which have been determined by audits, retrospective rating adjustments or interim reports are fully earned at the invoice date of such audits, adjustments, or reports as evidenced by Origin Specialty or insurance company invoice. Producer will be relieved of responsibility for such premiums, provided the insurer releases Origin Specialty of liability for such premiums, or Producer notifies Origin Specialty in writing within 30 days after said invoice date, stating that Producer has made diligent efforts and is unable to collect such premiums. Failure to give Origin Specialty such timely notice shall constitute Producer's acceptance of responsibility to pay such premiums. Timely notice shall be a letter sent by mail, express mail, fax, or electronic mail if confirmed by return receipt dated within 30 days after the appropriate invoice date and received at the office of Origin Specialty. If commission applies to these adjustments, none will be allowed to Producer on premiums collected directly by Origin Specialty under this provision. In addition, such notice shall not relieve Producer of responsibility to make any and all attempts at collection of such premiums within said 30 days after invoice date. This section four may be modified by Origin Specialty as to a specific coverage if the insurer does not permit Origin Specialty to return the item or if the insurer requires a shorter return period than 45 days. Producer understands and agrees that the business of Origin Specialty is dependent on maintaining a good credit relationship with its various insurance markets and that failure to pay upon the demand of Origin Specialty poses a great risk of harm and may result in damages to the business of Origin Specialty. Therefore, regardless of whether Producer agrees that such payments should be made, Producer agrees and understands that it will make such payments and, if made in protest, shall seek resolution at a later date. Producer will be granted any extension of payment which is afforded Origin Specialty by its insurance market.

5. CLAIMS

Producer shall notify Origin Specialty, or the designated representative of the insurance company, promptly of any claims, suits or notices of loss (or circumstances which might reasonably be expected to result in a claim, suit or notice of loss) and shall cooperate fully with Origin Specialty to facilitate the insurer's investigation and adjustment of any claim when, if and as requested by Origin Specialty, including the inspection of all of Producers' files that pertain to business transacted under this Agreement.

6. FIDUCIARY RESPONSIBILITY OF PRODUCER

Any monies collected by Producer for the account of Origin Specialty shall be held by Producer in a fiduciary account in accordance with the laws or regulations of the state where Producer resides or, if there are no such laws, in accordance with the laws and regulations of State of Illinois. Provided Producer is in compliance with all terms of this Agreement, Producer shall be entitled to any interest earned on said monies while so held by Producer.

7. COMPLIANCE WITH STATUTES

The Producer warrants that it will comply with all applicable laws and regulations governing the conduct of business subject to this Agreement in the jurisdiction(s) involved: it is properly licensed to transact business as an Agent or Broker in accordance with the provisions of insurance laws of any state in which business is transacted: and Producer will promptly notify Origin Specialty of any suspension, cancellation, or disciplinary action in respect of its license or licenses.

8. ADVERTISING

The Producer shall not cause any advertisement referring to or using the name of Origin Specialty or its insurance companies or issue or cause to have issued any letter, circular, pamphlet or other publication or statement so referring without the express prior written consent of Origin Specialty. In the event Origin Specialty shall be subjected to loss or expense arising out of any unauthorized advertisement, publication or statement of the Producer, the Producer shall be liable for and hereby indemnifies and saves Origin Specialty harmless from all resulting damages, fines, penalties and costs.

9. GOVERNING LAWS

This Agreement shall be deemed to have been made and deemed performed in Cook County, Illinois and shall be governed by the laws of the State of Illinois. Producer agrees that the exclusive venue in any dispute arising under this Agreement shall be Cook County, Illinois.

10. TERMINATION OF AGREEMENT

This Agreement may be terminated at any time by either party giving written notice to the other by certified mail, return receipt requested. After the date of termination of this Agreement, the Producer shall complete the collection and accounting to Origin Specialty for all premiums, commissions and other transactions unaccounted for on the date of termination or arising thereafter in respect of outstanding insurances, including but not limited to return premium and return commissions. Producer shall, after termination, continue to provide prompt notice and cooperate fully with Origin Specialty and the insurer regarding claims as set forth in Section 4 and 5 of this Agreement. Producer shall, at the request of Origin Specialty, or any insurer whose policy is affected, give notice of cancellation or non-renewal of a policy, subject to applicable laws or regulations.

11. WAIVER OR DEFAULT

Failure of Origin Specialty to enforce any of the provisions of this Agreement or to terminate it because of a breach hereof, shall not be deemed to be a waiver of such provisions or of any breach committed by the Producer

12. CONFIDENTIALITY AND NON-PIRACY

Producer agrees that in the course of submitting business to Origin Specialty, Origin Specialty may provide Producer with information about U.S. Risk's business, clients or programs that is proprietary to Origin Specialty and highly confidential ("Confidential Information"). Producer agrees to treat all Confidential Information strictly confidential, and not to use it or disclose it to any one for any reason other than for legitimate business involving Origin Specialty, and then only with the written permission of Origin Specialty. Information which was already in Recipient's possession prior to the date hereof, Information which is obtained by Producer from a third person who (i) is not prohibited from transmitting the information to and (ii) has not obtained such information wrongfully; and Information which is or becomes generally available to the public other than as a result of disclosure by Producer shall not be deemed Confidential Information.

13. PLACEMENT OF SURPLUS LINES ORDERS

Producer shall not place an order with Origin Specialty for any excess or surplus lines insurance unless Producer shall have first complied with any applicable state laws requiring Producer to attempt to procure such insurance from insurers authorized to do business in the State of residence of the proposed insured. Producer shall be responsible for filing all applicable surplus lines taxes.

14. COLLECTION OF AMOUNTS DUE

If a party hereto shall bring suit to enforce collection of any amount claimed due, in addition to the amount owed the prevailing party shall be entitled to receive reasonable attorney's fees, costs of court and interest on the amount owed computed from the date the obligation became owing at the lesser of ten per cent (10%) per annum or the maximum lawful rate of interest per annum that may be incurred by contract in the state where the action is brought.

15. INDEMNITY OBLIGATIONS

Producer agrees to defend, indemnify and hold Origin Specialty harmless against all claims, causes of action, judgments, fines, penalties and all costs and fees, resulting directly or indirectly from (1) Origin Specialty following Producer's instructions, (2) any breach of Producer's obligations under this Agreement, (3) any act error or omission of Producer, or (4) any action brought by a regulatory body as a result of Producer's conduct. In addition, if the Producer fails to observe, keep or perform any provision of this Agreement and Origin Specialty incurs costs and expenses (including reasonable attorneys' fees) in enforcing this Agreement, the Producer shall pay promptly, indemnify, save and hold harmless Origin Specialty from all such costs and expenses incurred by Origin Specialty in enforcing provisions of this Agreement.

Origin Specialty agrees to indemnify and hold Producer harmless against all claims, causes of action, judgments, fines, penalties and all costs and fees, asserted against Producer based upon alleged acts or omissions of Producer if same resulted solely and directly from strict adherence by Producer to this Agreement and were not the result of Producer's independent acts or omissions. If Origin Specialty fails to observe, keep, or perform any provision of this agreement and Producer incurs costs and expenses (including reasonable attorney's fees) in enforcing this Agreement, Origin Specialty shall pay promptly, indemnify, save and hold harmless Producer in enforcing provisions of the Agreement.

16. POWER AND AUTHORITY TO EXECUTE

Each individual who executes this Agreement in a representative capacity represents and warrants that he or she has full right and power to execute this Agreement and to bind the entity or individuals on whose behalf he or she so signs.

17. **ENTIRE AGREEMENT**

This Agreement, together with any addenda or schedules, constitutes the entire agreement between Origin Specialty and the Producer and supersedes and replaces any previous agreements between Origin Specialty and the Producer. No oral promises or representations shall be binding, nor shall this Agreement be modified, except by agreement in writing and executed by Origin Specialty. This Agreement shall apply to current policies already in force at the date hereof and all future policies which may be placed by Origin Specialty for the Producer. Producer shall not assign and affirmatively represents to Origin Specialty that Producer has not assigned this agreement or any commissions payable hereunder. This Agreement may be executed in counterparts.
